

A NOTE FROM THE HEALTH DESK

- Has your child been injured?
- Are they told not to participate in PE?
- Are they told not to go outside for recess?
- Are they told not to participate in Athletics?

If you have answered yes to these questions anytime while at St. Emily School, then you must submit a doctor's note to the front office. I will then be sure that our PE teacher and Athletic Director receive a copy of the doctor's orders.

In ALL cases the note must be dated, advise of PE, Recess and Athletics and if possible, have an end date, when your child can return to normal activities.

If an end date is not given, please be sure on your *next* doctor's visit to hand in an updated doctor's note with the release date.

Thank you -- and call me with any questions!
