

Registration Referral Rewards Program

Did you know?

When a current school family refers a new family that enrolls at St. Emily School, the host family will receive one month's free tuition for one child.

The free month will be April of the upcoming school year, provided the new student is still enrolled at St. Emily School, and both families are current in tuition payments.

The new family must mention the host family name on the registration form, on the line marked "how did you hear of us?"
