St. Emily School is proud of all of them, we congratulate all of them, and wish them all the best as they continue their educations. Way to go Eagles!

Thank you to everyone who has helped afternoon dismissal go smoothly, for the first week. We need all drivers to pick up your children, and return to your cars immediately, so exiting may begin as soon as possible—some parents/grandparents have to return to work, or pick up children from other places.

Afternoon Dismissal Procedure:

- 2:45 P.M.—dismissal for Extended Care, then ALL other students dismissed as car riders to the North Parking Lot. Students not picked up in the North Parking Lot will return to the school building with the teacher on duty, and will be dismissed to the parent/guardian, at the front office.

- Do not park on side streets and expect children to walk across the parking lot (even with an adult), to a car parked in the street—this is extremely dangerous for everyone!

- Do not pull out of line, or try to exit through the west gate where you entered—this is also extremely dangerous for everyone!

- If you are late picking up students, please park in the east-side or west-side parking lots, and come to the front door of the school for your children. Students will be supervised, by the school office, and sent to extended care at 3 P.M.

- Please inform grandparents, friends, neighbors, who may be picking up your child, of the dismissal procedure, so they know where they are to go, and so they are on time.

Your cooperation will help dismissal proceed quickly and safely.

Thank you for partnering with us in the Catholic education of your children. Please feel free to contact me, any time, through email, phone calls, or office visits, regarding any concerns or questions, as we move forward with another exciting school year at St. Emily School.

Sincerely,
Mary K. Hemmelman
