60th Anniversary Spotlight: Mrs. Jane Walsh-Gawlik

As St. Emily School celebrates 60 years, the wonderful staff will be spotlighted.

The next spotlight is Mrs. Jane Walsh-Gawlik who started teaching Jr. High Literature and English at St. Emily School in 2012. Though she retired in 2020, she came back to help out as a PE teacher and substitute.

"My oldest daughter, who also works at SES, became a teacher, following in the footsteps of both her parents. My 2nd daughter went through Girl Scouts here from Kindergarten through 12th grade, received the Gold Award, and now works full time for Girl Scouts as a camp director and an outdoor specialist. Both are active in the SES Athletic Association and both coach volleyball. My youngest went through Religious Education, was an altar server then a Eucharistic Minister, but has since married and moved away," Walsh-Gawlik said.

Her favorite SES traditions are the pep assemblies. Her one word to describe SES is "family."

"Mrs. Gawlik coaches Scholastic Bowl and always comes to our volleyball games and cross country meets to cheer us on! She carries her cheerful energy in PE classes and around SES when subbing," said Ava, 8th grade.

"She is super fun and nice! Especially when we get to play kickball! And the dancing is fun too!" Mason, 1st grade, said.

"She's a nice, awesome softball coach. I love when she had us play softball in PE," Eva, 6th grade, said.
