

Well another successful Santa's Workshop has come and gone, and I would like to thank everyone that helped make this year's Santa's Workshop the success it was!!

I would also like to thank Mrs. Booth for letting us have the Santa's workshop in school this year. Mrs. Eiffes for putting the notices in the Wednesday News and making sure that the letters got to the teachers so that they went home to the parents. Mrs. Malewig for collecting the volunteer slips and making sure that they got back to me and for answering all questions that came her way. To the teachers for letting the students come down and shop. FSA for letting me run the Santa's workshop for the past 8 years, I have had fun running Santa's Workshop but it is time that I pass it on to Mrs. Suzette Apao. I hope that you will come out and help Mrs. Apao next year and help her make Santa's Workshop a success the way that you did for me. To the parents thank you for coming out and helping me and the students. I could not do this without your help!! Thank you, Thank you, Thank you!!

I also want to thank you 8th graders for helping this year with the kindergarteners and 1st graders with their shopping. Their shopping goes so much easier with your help.

Please mark your calendars for Santa's workshop November 14th thru November 17th.

Merry Christmas and Happy New Year!!!

Mrs. Andrea Derwin
