60th Anniversary Spotlight: Mr. Rick Morrison

As St. Emily School celebrates 60 years, the wonderful staff will be spotlighted.

The next spotlight is Mr. Rick Morrison, Maintenance Director, who started at St. Emily School in 2016. He has two daughters and his eldest is a SES fifth grader. All SES students refer to him as "Mr. Rick."

His favorite SES tradition is the Festival. His one word to describe SES is "caring."

"Rick is the engine that keeps SES running. He is extremely generous with his time, arriving early to plow or staying late in an emergency. Rick's dedication to the parish and school is evident in how he cares for the teachers, staff, and students. He is quiet, humble and has the biggest heart," said Mrs. Tagbo, Kindergarten teacher.

"Rick is always willing to help. He's great with the kids and stops to talk to them. He's been known to come into the gym when Pre-K is playing and show off his juggling talents," Mrs. Cortese, PK4 instructional assistant, said.

"Rick is always there working hard when I need him to fix things, hang things, or lift things with a smile on his face. He is loved by students and staff alike," said Mrs. Letica, Kindergarten teacher.

"Rick is always ready to help and never complains about even the yucky jobs," Mrs. Bruno, PK3 instructional assistant, said.
