

# Calling All SES Artists!

## Mini Library Design Contest

This is just a sample.

We are excited to announce that this coming spring, two mini libraries will be donated to Saint Emily School and installed by the Mount Prospect Library Mission!

Mini libraries are free book sharing boxes where anyone can take or share a book to either expand or reduce their home collection! Mini libraries are built with the sole purpose of promoting literacy, building community, inspiring readers, and expanding book access for all!
