

Flowers for Freedom

As a part of National Junior Honor Society's Lenten Outreach this year, we are planting a garden of flowers to symbolize our support for Ukraine. With the garden, we are raising monetary donations to help those affected by the war in Ukraine.

You can buy a rock in your name for \$5 each that will go somewhere in the garden. With the rocks, we are also accepting open donations. Please see the attached sheet to order rocks and make open donations.
